

**RESOLUTION NO. 3751**

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MONTE  
SERENO ADOPTING AN UPDATED SCHEDULE OF USER AND  
REGULATORY FEES**

WHEREAS, the City Council establishes user and regulatory fees to offset all, or portions of, the costs of providing various services that are of special benefit to applicants or service recipients that are both separate and apart from the general benefit to the public; and

WHEREAS, on May 1, 2018, the City Council adopted Resolution No.3682 Adopting an Updated Schedule of User and Regulatory Fees; and

WHEREAS, the City Council hereby finds that the comprehensive user and regulatory fee study and supporting documentation provides adequate evidence to conclude that the revised fees do not exceed the cost to provide the services for which the fees are charged; and

WHEREAS, it has been recommended that the City periodically update the City's user and regulatory fees in order to avoid large increases in fees when updating is performed less frequently; and

WHEREAS, prior to adopting adjustments to fees, the City Council shall have the opportunity to review and consider said adjustments and make global or line item changes to the adjustments in the City Council's sole discretion (but guided by the principal that User and Regulatory Fees shall not exceed the cost of providing such services); and

WHEREAS, every three to five years, or at a frequency deemed appropriate when proposed by the City Manager and approved by the City Council, the City shall commission a study to examine fee-related services by the City, the costs reasonably borne by the City in providing those services, the beneficiaries of those services, and the revenues produced by those paying fees and charges for special services and recommend to the City Council for review and approval a revised schedule of fees to recover those costs on an on-going basis; and

NOW, THEREFORE, the City Council of the City of Monte Sereno, California hereby resolves as follows:

SECTION 1. Each WHEREAS paragraph, set forth above, is hereby adopted as a specific finding of this City Council.

SECTION 2. The City Council hereby adopts the schedule of fees as set forth in attached Exhibit "A" and incorporated by this reference.

SECTION 3. Any and all provisions of prior resolutions of the City Council establishing or modifying fees for the services, programs or products set forth in Exhibit "A," are hereby repealed and replaced as of the effective date of this resolution in the manner set forth in Exhibit "A;" provided, however, that such repeal shall not excuse or affect the failure of any person or entity to pay any fee

heretofore imposed upon such person or entity. The City Council desires to clarify that in adopting this resolution, it is taking action only on those fees for the services, programs or products set forth in Exhibit "A" which have been modified from prior resolutions of the City Council. The remaining fees that have not been modified from prior resolutions shall remain in full force and effect. The City Council further clarifies that the increase to these User and Regulatory fees based on the Index chosen is specific to these User and regulatory fees and the Index adjustment used herein shall not apply directly or indirectly to any budgets or staff salary or benefits, which matters shall be the subject of the normal city budget process.

SECTION 4. This resolution shall become effective September 3, 2019. The fees imposed by this resolution shall go into effect November 4, 2019.

SECTION 5. The City Clerk shall certify to the passage and adoption of this resolution.

REGULARLY passed and adopted this 3<sup>rd</sup> day of September 2019.
