

Pest Resistant and Drought Tolerant Native Plants in Your Garden

RESOURCES FOR DEVELOPING A SUSTAINABLE GARDEN

South Bay Green Gardens - Website

SouthBayGreenGardens.org

This website aims to help Santa Clara Valley gardeners,
with resources for our local climate.

The South Bay Green Gardeners website provides:

- Rainwater Management and Water Conservation Information
- Sustainable Landscape Design Ideas
- Garden Inspiration Galleries
- A Workshop & Events Calendar
- How-To Videos ... and more

California Native Plant Society of Santa Clara Valley

CNPS-SCV.org

This volunteer organization offers **classes** & **plant sales** to help local
residents use native plants.

Sales of native plants to the public are available at annual events, such
as the Wildflower Show and Going Native Garden Tour (each spring)

A Native Plants Sale for the public is offered every fall.
