

DISASTER PREPAREDNESS: BE READY!

**June is National Safety Month.
Be prepared, not scared!
Create a Go Bag.**

Disasters can strike at any time and in any place. The Santa Clara County Fire Department reminds you to be ready and prepare a 'Go bag'. A Go Bag is a small, portable bag or backpack that you grab on your way out the door.

Pack a separate Go Bag for yourself and each member of your household and keep in an accessible location. Pack each person's bag with his/her specific essential items.
